Every full-time traditional student participates in the Rochester College Chapel/Convocation series (RCC). The RCC series offers opportunities for students to participate in events and activities aimed at building Christian faith and community, affirming Christian values, and developing the whole person. RCC options include regularly scheduled Chapel and Convocation events, as well as various small group opportunities and service initiatives.

Each semester, students participate in RCC by being enrolled without charge in “RCC 2001: Chapel/Convocation.” RCC 2001 carries one academic credit and is assigned a letter grade at the end of the semester based on the following 25 point scale:

- 25 points or more...........A
- 23-24..........................B
- 21-22..........................C
- 19-20..........................D
- 18 or fewer...................F

Points are earned by participating in various RCC events. Course policy requires at least 40 total points are available each semester; with 45 points being the maximum allowed. Most RCC events earn one point each and take place on Tuesdays and Thursdays between 11:10am and 11:40am (see schedule on back). Attendance at Monthly Convocations earns double points. The academic credit does not count toward degree requirements but is calculated as part of a student’s overall GPA.

Attendance at most RCC events is recorded by ID card readers so that credit will be given only to those students who have their ID cards scanned. Lost, stolen, or damaged cards should be replaced as soon as possible at the Student Development Office. For further details on policies, exemptions, and schedules, visit the Student Development Office or go to Student Portal and click on the ‘Chapel’ link on the menu. It is the responsibility of each student to monitor attendance points on their Student Portal. Attendance discrepancies should be reported to Candace Cain, Dean of Students, in the Student Development Office or at ccain@rc.edu within two weeks of the event in question. No changes will be made after two weeks of the event.

On days when we exceed the Auditorium room capacity students will be directed to overflow chapel which is held in the Gold Room (next to Fletcher Center Cafeteria) where students will also be required to swipe in to record attendance.

Points may be earned through the following RCC Opportunities:

- **MONTHLY CONVOCATION** is a special campus-wide assembly alternating between Tuesdays and Thursdays and occurring once per month. It is a time for the entire Rochester College community to come together to celebrate and participate in significant events and community life. Attendance earns 2 points each time.

- **COMMUNITY CHAPEL** is a weekly chapel service which is open to everyone and provides a time of community prayer, worship, and reflection. Community Chapel meets on most Tuesdays from 11:10 a.m.-11:40 a.m. in the Auditorium. Attendance earns 1 point each time.

- **PARTICIPATION EVENTS** are 1 point events which take place on weeknights and weekends (see www.rc.edu/RCC for schedules and details) and offer a diversity of opportunities such as the following:

  - **In the Arts and Culture Track,** students attend concerts and plays, explore museums and art galleries, and dialogue with teachers, artists, and fellow students about their discoveries and about life. (1 point per event)

  - **Wellness Seminars** meet once per month during evening hours and address issues of personal wellness through topics such as daily exercise, vitamins and supplements, mental and spiritual health, and dietary habits. Dates for Wellness Seminars will be published and promoted during the semester. (1 point each)

  - **Career Services Workshops** meet occasionally throughout the semester to practically help students integrate their college careers and experiences into life and work after college. (1 point each)

  - **Commuter Service Track** is a self-directed opportunity for commuter students to engage in community service (1 point per hour; limit 7 per semester; for commuters only). Commuters interested in this track must sign up and track their participation on the Student Portal. To do so, log into the Student Portal and click on the ‘Chapel’ link. Then choose the ‘Sign Up’ form. After completing your community service, return to this page and choose ‘Tracking Form’ to log your hours.
