Tuition refunds for **complete withdrawal from all courses** during a semester are calculated by the Rochester College refund policy. There are financial consequences for withdrawing from college, including adjustments in financial aid awards that might leave you responsible for remaining charges on your account. Please consult the Student Financial Services Office to determine the financial ramifications of complete withdrawal.

**Course Drop Policy and Deadlines:** Any student who misses the first seven calendar days of an online course will be automatically dropped from the class and charged a $25 drop fee. Students who stop participating in an online class will be unable to pass the course. Any student who wishes to withdraw from a class must do so in writing by sending an email from your RC email to registrar@rc.edu, using course and section numbers. The last date to withdraw from an online course and receive a “W” is listed in the table above for each course start date. **Courses cannot be withdrawn from after this deadline.**

**Grades:** Grades may be viewed through the student portal at https://my.rc.edu/student/login.asp. They will generally be posted within a week after your class ends.

**Graduation Applications:** Graduation applications can be found by logging into the student portal and scrolling down the left side to *Traditional Program.* NOTE: *If you plan to graduate in December you must submit your graduation application by October 1, 2012. May graduation application is due by February 1, 2013.*

**Textbook Information:** The College has partnered with MBS Direct, the largest online college bookstore system in the nation, to provide textbooks for the students of Rochester College. Fall semester textbooks are scheduled to be available through the online store by July 16, 2012. The online store offers new books, used books, and e-books 24 hours a day and 7 days a week. Textbooks are not sold on the campus. You can access the online store through http://www.rc.edu/pages/campus-store/.

If you have sufficient financial aid to cover the cost of your textbooks, you may purchase books with a voucher through the online store. After requesting a voucher through the Student Financial Services Office, you will receive an email with a voucher ID once your voucher is ready for use. When accessing the online store, you will simply enter the id number and voucher number to purchase your books.

You may also obtain a voucher to purchase school supplies and sportswear in the campus store. You may ask for a campus store voucher when obtaining your textbook voucher from Student Financial Services, or any other time you have a credit balance on your account. If you have questions, please contact the Student Financial Services Office.

**STUDENT SIGNATURE REQUIRED! PLEASE BE SURE TO READ!**

I understand that by registering for courses, I incur charges for tuition and fees on my account. I acknowledge that I am responsible for reading and understanding the policies and procedures outlined in the RN to BSN Student Handbook and catalog and I agree to adhere to them.

Third Party Assistance Policy
(complete only if your employer pays for your tuition or you receive MI Works)

Many students who attend Rochester College receive tuition assistance from their employers or through Michigan Works/No Worker Left Behind. RC works with employers and their employees who wish to pursue their education to provide the smoothest tuition assistance process possible.

1. Students must notify the Rochester College Nursing Department prior to or at registration if they plan to use third party assistance.

1. If the employer pays only a portion of the student’s tuition costs or requires the student to pay the school directly and provide a paid receipt, then the student is responsible to pay the balance through published payment arrangements.

2. The student must authorize Rochester College to release any academic and/or financial information to their employer that is necessary for the payment of the student’s account. The only exception to this policy is when the employer prepays the student’s account.

3. Students must provide the terms of the employer’s tuition assistance plan.

- **Voucher system** – The approved tuition voucher (or copy of the voucher application - signed by a supervisor when required by employer) or signed authorization to bill employer letter must be submitted with your Registration Form. Rochester College will bill the employer for the approved amounts.

- **Non-voucher system** - Students must provide a letter of authorization from their employer:
  1) verifying the employee’s eligibility for tuition assistance,
  2) outlining the tuition reimbursement benefit (i.e. does employer cover only tuition, or tuition, fees, and books; is it based on the grade received; does the employee have to submit a receipt for proof of payment; etc.), and
  3) listing what they might require of the college, if anything, to process the reimbursement for the employee.

A new letter is required each academic year. Rochester College will not bill the employer for the student’s costs and payment will be deferred up to five weeks after the end of the semester. The student is responsible for submitting any necessary paperwork to their employer to meet their reimbursement guidelines.

By signing below I hereby authorize Rochester College to release any academic and/or financial information to my employer that is necessary for payment of my account. I understand that I will incur charges each time I enroll and I am ultimately responsible for these charges in the event my employer fails to pay for any reason. Also, if I withdraw from college I am immediately responsible for any incurred charges.
